BUENIE Betty

Join the Buy Buena Vista Campaign!

The campaign goals are to inform the community about local goods and services and encourage the residents of Buena Vista and the surrounding area to support Buena Vista businesses instead of spending their money elsewhere.

Participation in the campaign is FREE. Funding is being provided by the Buena Vista Chamber of Commerce, the Town of Buena Vista and local donations.

There are currently 105 participating businesses in the Buena Vista area. They range from B&B's to shops to mortgage companies.

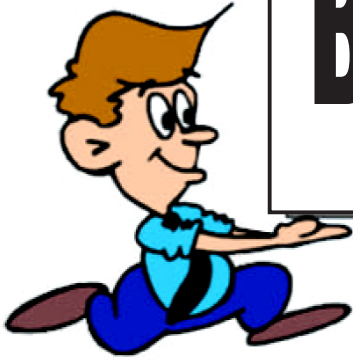

We have been distributing Buy Buena Vista cards to residents since June 2006. We ask that you offer a locals reward to those customers who have a locals card. When choosing a locals reward please choose an offer that works for your business. This campaign is meant to increase your sales, not decrease your income. The reward may be a merchandise discount, for example, 10% off of candles or 5% off of dessert; or you may want to give a free consultation; buy one get one; a calendar if you open a checking account - make it work for your business. You may already offer a discount to locals, use it for the cards!

You will receive:

- Free publicity in The Chaffee County Times, on BVTV and on our website, buybuenavista.org (provided by Vista Works).
- Buy Buena Vista posters for your windows.
- Buy Buena Vista cards for you to distribute to your customers.

Please call the Buena Vista Chamber of Commerce if you have any questions.

Brought to you by the Economic Development Committee of the
Buena Vista Chamber of Commerce
